CLEVELAND, O. April 20 - Northern | severed between Cleveland and points CLEVELAND, O. April 26—Northern of Ohio was visited by a heavy storm of wind and snow that prostrated telestraph and telephone wires in all directions. The wind came from the north and during the early hours of the day reached a velocity of 56 miles an hour.

All telegraphic communication was severed between Cleveland and points east and south. A few wires were patched up to the west, but even these were reported to be working badly. Advices from various sections show that the storm is the worst in years. Trains are delayed at all points. Considerable damage has been done to fruit trees.

St. Paul became very buoyant, rising to 170, and the general market railied, but did not get back to top figures, except in a few of the Southwesterns.

Prices dropped again in spite of the violent manipulation in St. Paul and there were some sudden breaks at the last. The costing was active and eary, except for one or two stocks, and net changes were mixed.

Stock in the National City Bank to-day sold up to \$780 a share—an advance of 35 points above previous quorations. This bank is controlled by the Standard Oil Company.

The activity and sharp advance in Chicago & East, Illinois common stock was due to the report that regotiations have been almost concluded for the transfer of the control of the road to one of the large systems desiring an interest in Chicago.

The total sales of stocks to-day were 1.144,299 shares, and of bonds \$4,555,609.

"I could nt Sew another Stitch to Save my Life."

A gorgeous costume flashed beneath the brilliant lights of a ball room. The queen of society is radiant to-night.

The nervous hands of a weak woman have toiled day and night, the weary form and aching head have known no rest, for the dress must be finished in time.

To that queen of society and her dressmaker we would say a word. One through hothouse culture, luxury and social excitement, and the other through the toil of necessity, may some day find their ailments a common cause.

Nervous prostration, excitability, fainting spells, dizziness, sleeplessness, loss of appetite and strength, all indicate serious trouble, which has been promoted by an over-taxed

For the society queen and the dressmaker alike, there is nothing so reliable as Lydia E. Pinkham's Vegetable Compound to restore strength, vigor, and happiness.

Mrs. Lizzie Anderson, 49 Union St., Salem, N. J., writes:

"DEAR MRS. PINKHAM:-I feel it is my duty to write and tell you how grateful I am to you for what your medicine has done for me. At one time I suffered everything a woman could. I had inflammation of the ovaries, falling of the womb, and leucorrhea. At times could not held needle to sew. The first dose of your Vegetable Compound helped me much that I kept on using it. I have now taken six bottles and am weak much that I kept on using it. and able to do my work. I also ride a wheel and feel no bad effects fre

it. I am thankful to the Giver of all good for giving you the wisdom of curing suffering women. I recommend your medicine to every woman troubled with any of these

trouble. I could not sew but a few minutes at a time without suffering terribly with my head. My back and kidneys also troubled me all the time. I was advised by a friend to take your medicine. I had no faith in it, but decided to try it After taking one bottle I felt so much better that I continued its use, and by the time I had taken six bottles I was cured. There is no other medicine for me. I recommend it to all my friends."
